Dear Sheyla Andina Aguilar Robles,

Thank you very much for your participation in a very successful DMEA 2024! With more than 800 exhibitors, almost 19,000 visitors and 300 speakers, the record result of the previous year was topped once again! And you played a big part in this with the top topic of **Mobile Health**.

As always, we have summarized the feedback from our participants for you in the **DMEA short analysis (exhibitor and visitor survey)**: [DMEA Statistics](#)

Beautiful impressions of DMEA 2024 can be found in our [media library](#) and on the [DiGA & Mobile Health page](#)

DMEA 2025 will take place from April 8 to 10 in Berlin

We are currently in the conception phase of hall planning. If you have not already done so, we recommend that you secure your space in the DiGA & Mobile Health area now!

- Exhibitors who register by September 1 will receive their old space on request and subject to availability
- Of course, you can still register after this deadline, but then the principle of first come - first serve applies to placements!

The most important links for your application can be found here:

If you have any questions, please do not hesitate to contact me.

Have a great summer, best wishes and see you soon!
